

Gojira

Fine Chemicals, LLC

INTRODUCTION - ABOUT US

Gojira Fine Chemicals, LLC is an ISO 9001:2015 certified fine chemical supplier specializing in sourcing raw materials & reagents. Our primary focus is understanding and evaluating our customers' needs to improve the quality and efficiency of their products and services. We take pride in establishing strong partnerships with our customers and ensuring that we will be a reliable resource.

- ✓ 3 Newly constructed multi-purpose Cleanrooms (Meets ISO 7 Specification)
- ✓ Recently expanded product line, sourcing capabilities & resources
- ✓ Dedicated QC Team
- ✓ Excellent Customer Service
- ✓ International Capabilities
- ✓ New 15,000 sq. ft warehouse
- ✓ QISS Global Quality System
- ✓ Integrated ERP System

OUR MISSION

At Gojira Fine Chemicals, LLC, our mission is to be a leader in the chemical industry by providing high-quality, sustainable, and innovative chemical solutions that contribute to a better and healthier world. We strive to exceed our customers' expectations by delivering exceptional products and services while maintaining the highest standards of safety, ethics, and environmental responsibility. Through our commitment to sourcing and manufacturing, we aim to continuously improve our products and processes to support our customer's growth and success. Our ultimate goal is to make a positive impact on society and the environment, and we will continue to work tirelessly towards this goal every day.

CUSTOMERS

We are focused on meeting research, process development, clinical trial & production needs for the following industries:

Pharmaceutical
Life Science
Diagnostic
Biotechnology
***In Vitro* & Molecular Diagnostics**

Personal Care/Hospital
Agrochemicals
Industrial Companies
Academic & Government Institutions
Distributors

VALUE ADDED SERVICES & CAPABILITIES

- ✓ Evaluation Samples
- ✓ Various Testing Services
- ✓ Custom Packaging & Labeling
- ✓ Sourcing Discontinued and Rare Items
- ✓ Formalized Bulk Quotes
- ✓ Custom Synthesis
- ✓ Private/Special Labeling
- ✓ 3rd Party Purchasing
- ✓ Custom Solution Manufacturing
- ✓ Reserved Lots for up to 12 Months

OUR PRODUCTS

- ✓ Multicompendial, ACS, USP/EP grades available
- ✓ Microbiology Media
- ✓ Antibiotics
- ✓ Mammalian Cell Culture core ingredients
- ✓ Enzymes
- ✓ Proteins
- ✓ Amino Acids
- ✓ Vitamins
- ✓ Buffers, Salts & more

TESTING CAPABILITIES

- Mass Spectrometry (MS)
- FTIR (Fourier Transform Infrared)
- NMR (Nuclear Magnetic Resonance Spectroscopy)
- Loss on drying moisture
- Karl Fischer
- Optical rotation
- pH
- DNase, RNase Testing
- GC (Gas Chromatography)
- HPLC (High-Performance Liquid Chromatography)
- Assay
- Endotoxin
- Heavy Metals Testing
- UV-VIS Spectroscopy
- Elemental Analysis
- Sterility

ORDERING INFORMATION

ORDERS: Purchase orders may be submitted by e-mail or telephone. Prices and materials listed in this catalog are current at the time of printing and subject to change without notice. Confirmed prices and product availability can be obtained by telephone or E-mail.

E-mail: support@gojiraafc.com

Phone: 855-483-4404

Sales Inquiries: sales@gojiraafc.com

SHIPMENTS: All orders are shipped via Seller's recommended carriers unless an alternative agreement has been arranged with the purchaser. Applicable freight and handling charges will be added to the purchaser's invoice. Refrigerated and Dangerous Goods shipments will be charged a nominal fee. Please consult a Customer Service Representative for confirmed delivery dates. If another carrier is specified, the carrier account number must be provided by the purchaser.

RETURN SHIPMENTS: Our Customer Service Department must obtain authorization to return items in advance. Unauthorized returns cannot be accepted.

CLAIMS: All orders are carefully packaged and checked to avoid shipping errors and damage in transit. All claims for shortage must be reported within 10 days from the date of shipment. In the event of damage keep all original packaging material and contact our Customer Service Department immediately.

PRICING and TERMS: The price applicable to any order accepted by the Seller shall be the price in effect on the date of shipment. Payment terms are Net 30 days to established accounts. We also accept VISA®, MasterCard®, American Express Card®, Discover®, and checks. To establish an open account, please furnish three trade references, FEIN/Tax ID, and DUNS # if available with the order. International orders and special orders may be subject to payment in advance. All orders and pricing are in U.S. dollars. Taxes and tariffs for international shipments are the responsibility of the Buyer.

WARRANTY: Gojira Fine Chemicals, LLC. warrants its products to conform to the description and purity described in this catalog at the time of sale. There is no warranty, expressed or implied, including without limitation the warranties of merchantability or fitness for a particular purpose. Gojira's sole obligation is to replace the product without charge or to refund the purchase price. In no event shall Gojira be liable for incidental or consequential damage that may result from any use or failure of the product. All products in this catalog are sold for laboratory research use only and for further manufacturing and are not intended for drug use in animals or humans.

Cell Culture/ Growth Media - Capsules

Encapsulated Media -
Convenience at a Great Price!

Add capsules to water,
autoclave and ready to use

Lennox Broth CAPSULES

Low Salt Lysogen

Final solution: Tryptone (10g/L), Yeast Extract (5g/L), NaCl (5g/L), Tris (1.5g/L)

SKU	Size
LeB1000x01	1000 x 1g capsules
LeB25x20	250 x 20g capsules
Bulk sizes available	

Luria Agar CAPSULES

Final solution: Tryptone (10g/L), Yeast Extract (5g/L), NaCl (10g/L), Tris (1.5g/L)

SKU	Size
LuA1000x01	1000 x 1g capsules
LuA50x20	50 x 20g capsules
Bulk sizes available	

Luria Broth CAPSULES

High Salt Lysogen

Final solution: Tryptone (10g/L), Yeast Extract (5g/L), NaCl (5g/L), Tris (1.5g/L)

SKU	Size
LuB1000x01	1000 x 1g capsules
LuB200x25	200 x 25g capsules
Bulk sizes available	

SOB Broth CAPSULES

High Plasmid Transformation

Final solution: Casein Enzymatic Hydrolysate (20g/L), Yeast Extract (5g/L), NaCl (5g/L), NaCl (10g/L), MgSO₄ (2.4g/L), KCL (0.186g/L)

SKU	Size
SOB72x14	72 x 14g capsules
Bulk sizes available	

Terrific Broth CAPSULES

High Yield Protein & Plasmid

Final solution: Tryptone (12g/L), Yeast Extract (24 g/L), K₂HPO₄ (9.5g/L), KH₂PO₄ (2.2g/L)

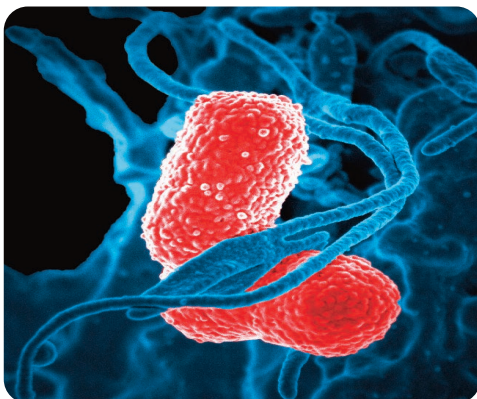

SKU	Size
TeB200x24	200 x 24g capsules
Bulk sizes available	

2XYT Broth CAPSULES

Phage DNA Production

Final solution: Peptone Digest (16 g/L), Yeast Extract (10 g/L), NaCl (5 g/L)

SKU	Size
2XYT320x15.5	320 x 15.5g capsules
Bulk sizes available

PERIODIC TABLE OF THE ELEMENTS

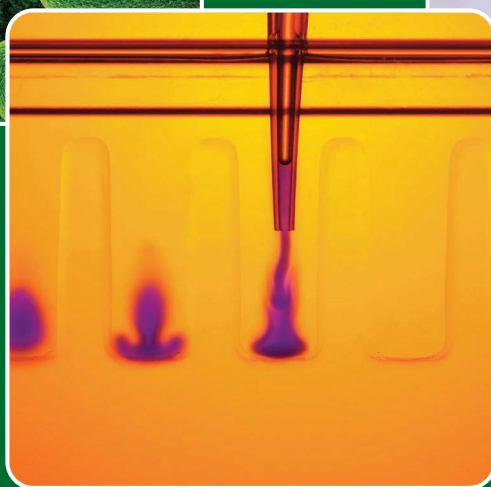

The periodic table is organized into groups (IA to VIIA) and periods (1 to 7). It includes elements from Hydrogen (H) to Oganesson (Og). The table is color-coded to show different categories of elements: Nonmetals (yellow), Metals (orange), and Transition metals (green). Other categories include Alkali metals (light blue), Alkaline earth metals (light green), Lanthanoids (pink), Actinoids (light purple), and Post-transition metals (light blue). The table also includes element symbols, atomic numbers, and names.
